

**JJMS Students: Please Help with Increase Miller
Book Swap by donating Used Books**

During the month of March the IMES PTO is collecting used books in good condition for a book swap (on March 26th) for Kindergarten – 5th grade students. So that we have a good collection of books for our older students (4th and 5th grade) we are asking middle school students to donate their used, unwanted books to the swap. Collection boxes will be placed near the entrance to the school and in the library for students to drop off their books. The boxes will be in the school until Wednesday March 21st.

Thank you for your participation and contributions. If you have any questions you can contact Kristen Dorta at nkdorta@optonline.net.
